August/September 2016

I don't know about you...

but after some of these hot and hazy days of summer,
I am just about ready for the cooler, crisp days of the fall!

And what a wonderful time fall is. For the fall brings the return to age-old routines and new opportunities. Many churches and organizations launch new programs. The return to more regular work schedules means many evaluate what is good and meaningful in their lives, and what they hope to newly commit to as the season changes.

Below (and enclosed) are a few opportunities for you to take into consideration as you begin to think about the changes that fall often brings! Enjoy also the celebration of our ministries and activities this summer. Peace.

Thank you. Two simple words which do not wholly express our thanks and appreciation for your support of the volunteers who you, as a congregation, sent to Blountville TN July 16-23. Our 20 volunteers worked in 3 smaller groups at two different houses in the surrounding Appalachian Mountains of Sullivan County, Tennessee. Our two homeowners were a single woman, working daily who we only saw at the end of the week when our work was completed, and a single man who was home daily when not at doctor appointments. Our first homeowner was appreciative of all we accomplished and was very moved that we cared enough to beautifully repair a stranger's home. Our second homeowner was not so moved by the amount or quality/ quantity of our work as much as he was affected by our honest, caring, accepting and genuine friendship offered to him, a total stranger. He said, "it had been a long time since I met good people".

Some of our volunteers may go on this trip for the opportunity to give back, to be in charge, to work hard, to learn about something new or different, to help others, to get away and do something that gives their life meaning, or simply they enjoy carpentry challenges. But sometimes, I wonder if we volunteers go on this ASP trip because "we could not would not" (Dr. Seuss) miss this event. The mission to "do" is a "pull" so strong that God speaks to us in this tangible real way that we feel, but not necessarily recognize, as God's voice calling us to His service.

I am so proud of our 20-something young adults who are now mentoring teens who have joined our group. I saw this mentoring in action, along with some group comradery, that encouraged those on the trip to be themselves, have faith in their fellow volunteers, and fostered some amazing experiences that the teens (and adult newcomers) can't help but share with others back home! I expect they cannot and will not miss WGUMC's ASP 2017!

In the near 30 years that Willow Grove UMC has hosted ASP trips, it has made significant impact on the many it serves as well as those who go as part of the teams. Pictured to the right are former WGUMC congregants who still annually join the ASP Team to engage in this life changing ministry.

WGUMC Family Picnic & Friendship Meal Event

Held Sunday, June 26, 2016, 9:30 AM – 3:00 PM
At Carson Simpson Farm (Graff Pavilion)

The church held its annual church-wide picnic on June 26th at Carson Simpson Farm. The morning started off with a smaller group of folks setting up for the day, both the picnic area as well as the worship area under the shade of the oak tree. God bless the early-birds for their willingness to help out on this way. Other people began to gather, bringing their food offerings to share as we readied ourselves for the morning worship service.

Worship was inspirationally led by Pastor Lorelei with special assistance from her children, Will & Emma, as well as our own musician Rich Carley on the guitar. There was songs, prayers, scripture readings, an offering, inspired message words, fresh air, a nice breeze, shade, fellowship, and the glory of God's world. After worship, it was time to ready ourselves for what Methodists do quite often and that is to eat! The grillers started preparing the delicious entrees (hamburgers and tube steaks), while all the other pot-luck food was made ready on the serving tables. We had baked beans, various salads, vegetables, lasagna, sauerkraut, chips, and other delicious offerings. All of this followed by the desserts, the best part of the meal!

It was a day full of sunshine, friends, fellowship, games, outdoor air, and just plain fun! A day enjoyed by all who could join us. See you there next year!

Member SPOTLIGHT!

ANN (Bulmer) NEWBERRY (88 years) was born on March 18, 1928 in Atlantic City, N.J. in the back room of a luncheonette.

While growing up, she and her younger sister, Barbara (Bulmer) Lamb spent a great deal of time on the Boardwalk at Steel Pier, attending many events, including the Miss America Pageant. In 1939, Ann joined the Methodist Church in Atlantic City. During her school years at Atlantic City Jr. High School (7th grade), she recalls her gym class being held on the beach (weather permitting).

In 1940, her family moved to Philadelphia and her church membership letter was transferred to St. Luke's Church at Broad and Erie in Philadelphia. Ann graduated from Simon Gratz High School in 1946. She played clarinet in the band while in high school and received an award at graduation for Best Musician. She wrote an essay "Extending Friendship and Cooperation" which was read at her commencement exercises.

In 1947, Ann married William Newberry and they built their first home where she presently resides: 229 Brook Street, Willow Grove. She and Bill have three children: William, Barbara, and Linda. They began attending Willow Grove United Methodist Church in 1950 and Ann transferred her membership from St. Luke's to Willow Grove UMC and became active, along with all of their children. She and Bill have seven grandchildren and two great-grandchildren.

Over the years, Ann was active in many church activities and served on committees:

Leadership/Coordinator of 3rd and 4th grade children's Sunday School classes
 Many years on the Finance Committee
 Coordinator of the Sunday Counting Teams

Ann's employment over the years included working at Burpee Seed Company, Warminster, and the former Grove Pharmacy in Willow Grove.

Letters of thanks

Dear Friends,

Many thanks for your cards and best wishes when my family celebrated my 96th birthday March 19, and my retirement from teaching and leading youth and adult programs for over 60 years in our Willow Grove United Methodist Church.

Sincerely, William N. Woehr

To our church family,

I have been overwhelmed with your many expressions of sympathy at the time of Ed's passing.

The cards, notes, calls, your presence at his memorial service, and memorial contributions have been so meaningful to his children, grandchildren, and me.

The church played a very important part in his life and, as many of you know, he was very interested in the history of the church and enjoyed keeping the history information up to date.

Thank You for your caring and thoughtfulness.

With sincere appreciation, Marilu Skilton

To my dear friends at Church,

Thank you so much for the many lovely cards you sent me for my birthday! I am always glad to hear from you and hope you are keeping well. Thank you for the card with so many signing it! Hope to be able to see you one of these Sundays when I am visiting my daughter and son-in-law.

Again, how very nice of you to think of me. May the lord bless each one of you.

Ann Boyer

COMMITTEE AND MINISTRY NEWS AND NOTES

DOERS GROUP (By Blanche Erwin): The Doers will meet on **Thursday, September 8 at 11:00am** in the church lounge. Devotions and a business meeting will be held followed by lunch and Bingo. Bring a sandwich or salad for lunch. Beverage and dessert will be provided. The Doers meet on the second Thursday of each month. Visitors and new members age 55 and older are always welcome. Please join us for fun and fellowship.

FINANCE COMMITTEE (By Dave Kistner): *Mid-Year Finance Summary for WGUMC* - The Finance Committee would like to update the congregation on our mid-year financial status. Our total income through June 30 was \$122,777 while our total expenses were \$128,807, resulting in a year to date General Fund deficit of \$6,030.

Our income for the first half of 2016 was significantly boosted by the remainder of the Avery bequest (\$12,595) and the sale of the church van (\$8,000). Please keep in mind that these 2 items are one-time events which we can't count on for the remainder of 2016 to meet our expenses. The Committee looks forward to a Stewardship Campaign planned for this October that will allow us to better plan for 2017. The Committee thanks the congregation and asks for your continued support.

FOOD MINISTRY (By Laura Daugherty and Kathy Harrod): On July 17th, we gathered in the Fellowship Hall to enjoy summer and celebrate our country. There will be no Friendship Meal in August, but we will start again September 18. All are welcome. Should we experience bad weather on any of these dates, cancellation will be announced on KYW Newsradio and on the website CBSphilly.com.

We continue to have visitors from the various religious institutions in our area as they work toward providing a meal for those who are food insecure. We recently received word that with the confidence and information that we have provided two (2) area churches—Glenside UCC and Willow Grove Baptist—will begin new community meals programs in August and September. We provide flyers on our 2nd floor bulletin board and a table in Fellowship Hall, during our monthly meals, in order to spread the word that these meals are available.

Dates to remember for the 2016–2017 are:

September 18, October 16, November 20, December 18, January 15, February 19, March 19, April 23 (Easter is April 16), May 21, June date of church picnic and July 16. Your donations of luscious food, love offerings, prayers and your presence are what keep this ministry running. We are a mission of the entire church body. Your contributions are very much appreciated.

Our goal is to be of service to our neighbors. If you want to have a positive effect on someone's life, do something rewarding, and also have fun, come and join our amazing, talented, loving, fun crew! Other programs sponsored by the Food Committee include **Breakfast in a Bag** (available at the end of the Friendship Meal), **Brown Bag Lunches** (distributed by the office staff), and the **Friendship Freezer** (emergency meals for anyone who needs them.)

HOSPITALITY MINISTRY (By Marilu Skilton):

We will resume the Coffee Cart on **September 11th at 10:00 am**. Start the church fall schedule by joining other members of the church to share any news from the summer, or plans for the coming year. A host-hostess sign up sheet will be in the narthex late in August.

MUSIC WORSHIP AND ARTS (By Gayle Wieand): "Summertime ... and the living is easy." So wrote Gershwin in the first American opera, Porgy and Bess. For myself, I would edit that to "Summertime, and the living is interesting."

We hope you have found this summer's music ministry to be interesting. At WGUMC, the choir takes off for the summer. Kathy, our organist, and our Pastors say that they miss the choir's presence and musical leadership in the Chancel. Choir members say that it's fun to sit with the congregation where it is much, much cooler!

Our musical offerings of praise are as varied as always, and we thank the following choir members, WGUMC members and our friends for providing the summer music ministry: Niasha Gwin (Youth), Linda Knauss, Diane Dilks, Kenneth York, Barbara Staley, Chuck Staley, Dave Kistner, Maeve Carmody (Youth), John Carmody (Youth), John Ekey, Rich Carley and Marion Demcisak. And our flutist, Courtney Petrunis.

The Choir will return to the chancel on September 11th. Stay tuned for first rehearsal announcement.

TRUSTEE COMMITTEE (By John McCarthy and Kim Hunt): The Trustees have been busy at work this summer. A major part of our time has been spent on preparing, moving, and relocating the Honeyland and Circle of Friends childcare rooms, as described in the last edition of Fellowship News. In addition, other ongoing maintenance and necessary repairs have been handled.

One significant "gift" and "moment of grace" was the complete donation, of approximately \$1,400, of electrical parts and labor to repair the organ. This donation was most graciously received, and we give thanks that we have been able to continue using the organ, week-in and week-out, without even noticing how much repair work was necessary. Thanks be to God for such generosity!

Other items that the Trustees have been working on include:

- 1.) Termite remediation in the Lounge (approx. \$900)
- 2.) Toilets on 2nd and 3rd floors, and preliminary boiler repair (approx. \$2000)
- 3.) Air Conditioner in Lounge has been repaired (approx. \$750)
- 4.) Hallways on 2nd and 3rd floor and floors in rooms 204-206 and 304-306 have been stripped, sealed and waxed
- 5.) The carpets throughout all of the 1st and 2nd floor hallways have been professionally steam-cleaned (~ \$400)
- 6.) Rooms 204-206 have been painted
- 7.) Window air-conditioner in room 206 has been replaced
- 8.) Circle of Friends has been relocated to rooms 304-306 and Honeyland has been relocated from 306 to 204-206
- 9.) Organ electrical issues have been repaired by gracious electrical contractor (GIFT!)
- 10.) The sale of the church van to Lehman UMC was completed

The Trustees are looking for additional members to serve in the upcoming year. Persons interested in offering their assistance and expertise should contact Pastor Lorelei or John McCarthy.

UNITED METHODIST WOMEN (By Blanche Erwin): The **Susanna Circle** will meet on third Monday of each month at 10:30am in the church lounge. Our first meeting for the fall will be **Monday, September 19**.

Reserve the Date. The women of our congregation are invited to the Supplee Presbyterian Church Ecumenical Luncheon, **Wednesday, October 12 at noon**. Neill Hartley will present the program of his visit to "Sleepy Hollow". The information for luncheon reservations will be in the church bulletin in September.

Save Shoe Boxes for Operation Christmas Child - We need empty shoe boxes to pack the gifts. Shoe boxes are filled with small gifts to bring joy and hope to children living in countries (including the United States) wracked with war, poverty, and disaster. Shoe boxes can be left in Room 201.

WGUMC Charge Conference: This year's Charge Conference are being held in a group format. Ours will be **Wednesday, October 12th, at 6pm, at Huntingdon Valley UMC** with 3 other area churches. Please make a note!

Interim Custodian: The Staff-Parish Relations Committee is pleased to announce the interim hiring of Genevieve Montante to handle certain cleaning and organizing portions of the part time Custodial Position. Genevieve brings a lifelong knowledge of WGUMC and its ministries, as well as a wonderful passion and problem solving spirit to the position. Please welcome Genevieve, as SPRC, Chuck Staley, and Shirley Liddle continue to work to fill this vital position and search for a good long-term and permanent hire. Members are also reminded to use the yellow Trustees' Maintenance Repair slips, found on the bulletin board, to alert the Church Office to areas of concern, or in need of attention.

Church Van Sold! The Trustees are pleased to announce on Wednesday, June 29, the sale of the church van to Lehman Memorial UMC was completed, for a total donation of \$8,000 to WGUMC. We are grateful to the Cunningham Family and their friends for the donation of this van to the ministry of WGUMC for over 10 years, and the ways it assisted former youth groups and many ASP trips. While our WGUMC ministry has been unable to make regular use of the van most recently, we feel the sale of the van to Lehman Memorial UMC deeply honors the spirit of this gift by the Cunninghams as it will continue in service to many youth and young adults through Lehman. The funds from the sale of the church van will be used to assist in the general operating budget of the church, including significant ongoing building maintenance work by the Trustees.

Welcome to newborn Dalton David Davis, weighing in at 7lbs 12oz & 20" long. The proud parents are Joanna (Hyde) & Del Davis, daughter & son to Jenny & Paul Hyde. All are doing fine and enjoying the new baby. God is good.

Welcome James William Mertus, the grandson of Emily and Ken Graupner, born April 24th!

Sadly we recognize the recent death of Tristen Bethel, aged 25, son and nephew of the Bethel and Montante families.

We also recognize the death of Eleanor M. Richard, friend of the church, who passed July 21, 2016, and whose services were conducted by Schneider Funeral home, Hatboro.

Men and Women's Bible/Wesleyan Class:

Come join the Men and Women's Bible/Wesleyan Sunday School Class this September at 9:15am. **The first class will be held September 25th, following our participation in Rally Day opening ceremonies on Sept. 18th.**

This class meets in the Chapel. We have a scripture lesson, prayer and discussion each week. Some of the Church family seniors are in this class. We have a wealth of knowledge to share of God's love and care for us. One Sunday a month we enjoy a "Hymn Sing" as our hymns each have a message. All are warmly welcomed!

~ Sincerely, Doris Hardcastle.

Niasha Gwin (featured left) graduated 5th grade from Upper Moreland Intermediate School in June. She earned three (3) awards including the President's Award. Congratulations Niasha!

CALLING ALL FRIENDS AND FAMILY!

FAMILY JAMBOREE - We have our Family Jamboree over Labor Day Weekend, Saturday, Sept 3rd (check-in begins at 10am) to Monday, Sept 5th (check-out begins at 2:30pm). This is a wonderful time for families to spend time together, to meet other families who have a love for Innabah, and just to spend a few moments relaxing and enjoying being disconnected from the world for a few days before the craziness of the school year really gets into full swing. There are plenty of different lodging opportunities available from rooms in Bethany Lodge, to Covenant or Goodwin Lodge, to cabins, to the Outpost, or your own campers/tents. We will be getting more information posted about this on our website within the next week or so, and this information will include prices. Registration for this event is available online. You can also call the office for more information and/or to get your family reserved.

Thank you all for your support so far, and for joining us for our summer camp opportunities here at Innabah!!

LIFE OF JESUS

In September, those interested in participating in this year's production can sign up on the chart in the Narthex, or by contacting Jenny Hyde at jehyde007@gmail.com or at [215-659-9067](tel:215-659-9067). The production will be sometime in November 2016. Come join us!! It is fun, plus it is a powerful ministry.

Special Offer for WGUMC Families

Circle of Friends, located in WGUMC, is accepting registrations for the 2016-2017 school year. Circle of Friends would like to extend a special discount in the cost of tuition to the church members and/or their relatives. Please visit us on Facebook @Circle of Friends Preschool Willow Grove, PA and our website cofp.org.

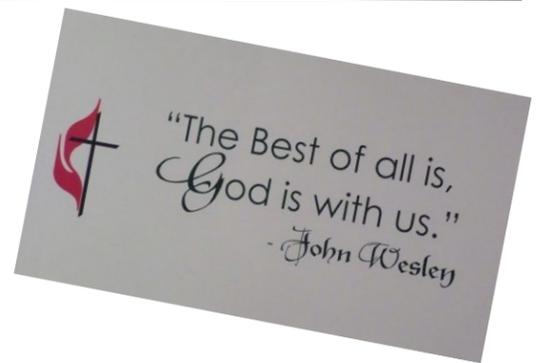

"PRAYER CHANGES THINGS"

The Prayer Chain is available for those of our church family and friends who are in need of special prayers due to illness, pain, loss, tragedies, or other needs. We have a group of approximately 5 chains consisting of 3 names each. During the past year, we have lost some of our members and are looking for new persons to fill the chain. **Are you willing to PRAY for those in need and be a part of the PRAYER CHAIN? Please consider joining with us in this important ministry.**

If you are interested in joining the Prayer Chain or have questions, please call the church office or Blanche Erwin at 215-672-3675.

Also, please call the church office if you are in need of special prayer. Following your call, the prayer chain will be put in action. The first name on each of the chain groups will call the next name in line and so forth. The Prayer Chain is completed.

"God answers prayers in the morning. God answers prayers at noon. God answers prayers in the evening, to keep your heart in tune."

E. PA Conference of U.M.C

By Doris Farrar, RN, BS, FCN

Our lives today center around the quick flashes of news that travel at the flick of a button on computers and cell phones. This amazing technology has increased awareness of the different cultures, values, and mores of many countries. We all have one thing in common: that is the importance of promoting respect and acceptance of one another. This is easier said than done due to the various levels of maturity, family values and cultural traditions.

Mental illness is still an ongoing stigma for our society. Many do not accept it as a disease process that affects all cultures and families. The causes can be genetic, chemical, social and environmental. Nursing provides a way to build awareness and educate individuals in how to approach, guide and refer families to seek help. Our legislative laws were redirected in the 1960's so many mentally ill individuals were discharged from hospitals with no follow-up supportive measures. As a result, many have become homeless, and currently half the prison population is mentally ill. Parish nurses see a lot of these clients in the center city areas. The legislative laws need updating to insure ongoing treatment to help a person become stable and be guided to a better quality of life. The judicial and medical professions need to work together to better evaluate competency and treatment. The end result would improve the life of the individual and the wellbeing of the family.

What Can Churches Do to Foster a Sense of Belonging for Those with Mental Illness?

(A Review by Sharon Hachtman, RN & Council Steering Comm. Member)

One of the best articles I've read recently on mental illness centers around the need for churches to take on the stigma of mental illness through education and invitation. Dr. Michael Tanner writes that churches must begin by promoting understanding. He reminds us that there is probably no family, church or community that is not affected by mental illness, and yet "most churches go about their business oblivious to mental illness and to the alienation and suffering...on their doorstep and in their pews" (pg. 45). He gives some tips for every congregation to follow:

1. Pray for the "will to embrace" all
2. Educate clergy, staff, lay leaders and members
3. Regard people for who they are and whose they are, not for illness they have or for disadvantage that illness has worked in their lives.
4. Invite and encourage full participation of people with mental illness in church life and work
5. Enjoy friendship and fellowship with people who, among the many other qualities of their lives, have a mental illness. Be transformed!
