### *Spring Already?*

As I sit down to write you, Arctic air is blowing around in circles outside my window. The sheer force of it is making small crevices here and there in my window become musical instruments, whistling a faint, then stronger, note. Today is not a day to head outside quickly or abruptly without bundling up...multiple layers... scarf, hat and gloves needed. And, what a contrast it seems to just a few weeks ago, when we experienced an unseasonably warm November and December, with many days in the 50s and 60s. For many of us, it may seem that winter is only beginning. Brrrr...

**And yet, Spring is upon us!** Yes, that's right, S-P-R-I-N-G! Though our calendars say that the first day of spring is not until Sunday, March 20 - **as Church our "Spring" begins Wednesday, February 10.**

Did you know that the word "Lent" comes from the Anglo-Saxon word *lencten*, which means "spring"? Neither did I, until recently. Which means that, this year, our Spring begins on Ash Wednesday, February 10, just a few short weeks from now.

This simple thought has captured my imagination mightily... not at least because the word "spring" also encompasses images of movement, growth and newness. Spring is not just a season, or a certain set temperature. It is not something that is stagnant or still. By its very definition, spring is creative. I love this idea!!! I love this idea, especially in light of the fact that it seems as a church we have had a winter-like season already... with the losses of significant members and friends and other hardships which we have collectively suffered. The reframing of Lent as the season of the Church's Spring is enticing.

Lent, like winter, can be a very difficult season for people to embrace. While winter can be synonymous with long stretches of time being inside, germs and colds preventing otherwise usual meaningful social activities, fear of slippery ice, and less hours of sunlight and daytime activity... Lent has become historically synonymous with gloomy prohibitions and significant consideration of our mortality.

So, what does it mean for you to imagine Lent not simply as a season intended to dampen your otherwise joyful, creative soul - but rather a season to stoke it, prepare it, and give birth to it? What does it mean to imagine your faith as a tulip bud, just about to break forth below the surface's edge with a little tending? Will your soul break forth in the warmth and light of God's provision, arching towards the heavens in praise and thanksgiving, and by Easter (March 27) be fully opened and radiantly receiving the glory of God's revelation in the resurrection?

What will feed your soul this Lent? Will you commit to it for 40 days, in this our Church season of Spring? Hmm... just a thought... ~ *Pastor Lorelei*

## MUSIC and WORSHIP ARTS

By Gayle Wieand, Music Director

### **HAPPY NEW YEAR!**

Kathy Harrod, the Worship Committee and I thank all the choirs, worship teams, flower and altar guilds for the beautiful music, a lovely sanctuary, and smoothly-running Advent and Christmas services. The candles were lit, the children rang bells, the flowers looked beautiful; we had ushers, liturgists, singers, program folders, organ tuners, piano players, flute and bells, sound techs, communion stewards, taper tenders, our pastors, and many others sharing the work of their hands and hearts. Many people help each week to provide our unique Willow Grove worship experience, and I know we are all grateful!

### **FEEDBACK REQUEST**

The Worship and Arts Committee met together the week of Epiphany to review Advent and Christmas and would like to ask for your help with this. We're interested in feedback, not necessarily

complaints, but feedback of what filled your hearts and fed your spirit during Advent and Christmas. We're especially interested in your feedback about Christmas Eve. Please jot down a note and give it to Linda Knauss, our Worship Committee Chair. Please leave it for her in the office, or send an email to the office. THANKS.

The members of the Worship Committee also got a surprise during our meeting. We discovered: **Next year Christmas Day is a Sunday!** We wonder how that might impact our services next Christmas and your participation as members of the congregation. Should we only have one early service on Christmas Eve? Should we plan a pajama morning on Christmas Day? Do we need more coffee and donuts than usual? Any ideas, please share with Linda Knauss.

### **ART SHOW**

The Worship and Arts Committee is thinking about an ART SHOW again this spring. In addition to our fine artists, painters, sculptors and photographers, this year we would also like to feature the artistic talents of our crafters. We're thinking of an early May show, so start preparing your handiwork and art for the exhibit. Questions? Leave a note for Gayle.

### **MUSIC FOR LENT**

This year, Lent and Easter are just about as early in the year as they ever are. Pastor Lorelei taught me that the word "Lent" probably has similar origins as words that mean to lengthen, as in "the days are lengthening". With this new information, and because Lent this year falls in the deepest part of winter, the music ministry has decided to "lighten up" some of our Lenten music. We will, of course, still offer music which we hope will help us all in our Lenten prayers and self-reflections. Special requests are always welcome.

Easter will feature our mass choir offering of the Hallelujah Chorus from Handel's Messiah. Plan to join us for this joyous response on **Easter Morning, Sunday March 27!** You might even plan to join us now, before Easter, for ringing and singing. It's fun to be in the choirs!

**THANK YOU**

Kathy Harrod and I thank you very much for all your cards and gifts during the holidays. We are touched by your caring and generosity. Thank you so very much.

**CHURCH COUNCIL**

By Paul Hyde

Thank you to all of you who attended our Sunday, January 24 Installation of Leaders, during worship, in which Pastor Lorelei recognized and Installed WGUMC Leadership for the 2016 Year. We also offered thanks to those who have faithfully offered service in the past year(s).

Our **next Church Council Meeting** is now scheduled for **Wednesday, February 3 at 7:00pm**. Please put this on your schedule and plan on attending. Some of the Items to review/consider are: the 2016 Budget, committee meeting dates, scheduling the year for our planned activities, and considering our objectives and goals.

Along with each of you in Christ's Service, Paul

**DOERS GROUP**

By Blanche Erwin

The Doers meet the 2nd Thursday of every month except summer months. We meet in the lounge at 11:00am and have devotions and a program followed by lunch at noon in Fellowship Hall. Members bring a sandwich or salad for lunch. Dessert and beverage is provided. Visitors and new members 55 and over are always welcome. We will NOT be meeting in the month of February. On **Thursday, March 10**, we are planning to make pillows for the heart patients at Abington Memorial Hospital. Come and join us for good fellowship.

**FOOD MINISTRY**

By Laura Daugherty and Kathy Harrod

In December, about 95 friends, neighbors and members celebrated the birth of Christ with ham, turkey and many holiday dishes. **On January 17, we began our fifth year providing free Friendship Meals.**

**On February 21** we will have red, white and blue foods to commemorate Valentine's and Presidents' Days. **We will also provide the opportunity for free blood pressure screenings through Abington Hospital.** Thank you Abby Donnelly for arranging this wonderful opportunity.

**Sunday, March 20 is Palm Sunday** so the theme will be the Easter message of new birth.

Should we experience bad weather on any of these dates, cancellation will be announced on KYW Newsradio and on the web site CBSphilly.com.

Other programs sponsored by the Food Committee include the **Breakfast in a Bag** (available at the end of the Friendship Meal), **Brown Bag Lunches** (distributed by the office staff), and the **Friendship Freezer** (emergency meals for anyone who needs them). Your donations of luscious food, love offerings, prayers and your presence are what keep this ministry running. We are a mission of the entire church body. Your contributions are very much appreciated.

Gradually, we expand our service to our neighbors. If you want to have a positive effect on someone's life, do something rewarding, and also have fun, come and join our amazing, talented, loving, fun crew! Just see Laura Daugherty, Hank Daugherty, Kathy Harrod, or anyone else who is involved. We will put you on our email list and get you started!

**HOSPITALITY MINISTRY**

By Marilu Skilton

You are invited to join our church members and visitors every Sunday morning from 10:00 to 10:30am in the area off of the back parking lot. Enjoy a cup of coffee, tea or hot chocolate, and a snack. We have enjoyed the soft pretzels, homemade monkey bread (get there early!!), brownies with M & M's made by some of our children, homemade chocolate chip cookies, sweet breads and muffins made by the WoRM Class. This is also an opportunity to get to know each other and greet visitors.

Thank You to our December hosts: Jane and Alf Sharman, Deb Pronzato and the WoRM Class, Kim, Casey and Teagan Schwalje.

A sign up sheet for hosts can be found in the narthex. The only thing that the host has to supply is the snack(s).

## COMMITTEE AND MINISTRY NEWS AND NOTES

### TRUSTEE TIDBITS

By Hank Daugherty (outgoing President)

In the book Afire with God, Becoming Spirited Stewards, the author concludes: “Discipleship is a faith response governing our lives. Stewardship is a life response governing our actions. Stewardship defines our discipleship commitment. Our personal response to God moves from simple thought and emotion to complex action and results.” The work of Trustees offers opportunities and challenges to be faithful disciples and stewards.

Along with being a good steward comes the responsibility to care for that which God has placed in our control. The year of 2015 has been a time of fulfillment of this precept. There have been several challenges before us in order to exercise being good stewards and disciples of our Lord in this place.

Some of the things that have been accomplished recently include; Boiler repair completed, Back Flow water test completed, a new sign installed on the Church Street corner, Ladies Room sink repaired, and Exit Route Signs and Fire emergency procedures established. Additionally, a custodian was hired in late November and many other day-to-day items attended to. The “Yellow Trustee Slips” have proven very helpful. Please continue to use them to communicate issues of concern to the trustees.

Effective January 1, we have a new class of Trustees, with newly elected officers. They are: John McCarthy (President), Andrew Johnson (Vice-President), Kim Hunt (Secretary), Joan Law, Ray Werthmann, John Ekey, Alice Creswick, and Stephen Krall. In addition Brad Cooper serves as a Trustee Helper and Craig Weller as a Finance liaison. In spite of what has been accomplished in the past, there are many challenges facing the Trustees in times to come. Your assistance and support will be essential for their continued success.

### SPIRITUAL FORMATION MINISTRIES

By Blanche Erwin

**LENTEN ARK BANKS** - The ark is about hope, a chance for many families to have adequate food and income for the first time. It seems like a simple gift; a goat, a cow, or a flock of chicks. But the gift of a farm animal is an important step toward ending a family's poverty. Heifer International animals (and training in their care) offer hungry families around the world a way to feed themselves and become self-reliant. Children receive nutritious milk or eggs; families earn income for school, health care and better housing; communities go beyond meeting immediate needs to fulfilling dreams. With your help Heifer International reaches out to people in God's love. Fill your ark banks during Lent, and know your gifts will have a lasting impact in a changing world!

We will be launching the ark banks on Sunday, February 7. Place coins in the ark for something you are thankful for each day. The Landing of the ark (returning of the ark banks) will be held in April.

FILL the ARK for HEIFER INTERNATIONAL - Help people around the world build a better life.

### UNITED METHODIST WOMEN

By Blanche Erwin

The **Susanna Circle** meets on the third Monday of the month at 10:30 am in the lounge. This UMW circle is a group of women that study, share and develop a creative supportive fellowship.

**Save Your Coins For Missions** - Deposit pennies and other coins in the bowl in the Narthex. They really do add up! “For if you only add a little and do this often - soon that little will become great.”

**Save Box Top labels and UPC Symbols** (from Campbell Soups and Beans). These will be given to our local schools. The “symbols” can be left in the UMW box in the Narthex.

*Thank you Hank for your faithful service for the last three years as President of the Trustees, as well as many additional years as a Trustees Committee Member and a concerned WGUMC member. May we honor your work through our continued faithful service. With gratitude — The Trustees*

## LETTERS TO THE CONGREGATION

Dear Church Family,

We want to say thank you very much to all of you for all of your kind thoughts, cards, caring words and most of all for sharing the day of Don's memorial service and luncheon. Your presence and helpfulness that day meant the world to us, and we are eternally grateful to all of you. Don loved being with his church family, and we know that he was with us that day celebrating his life.

So, again, we appreciate and give our heartfelt thanks to all of you who have touched Don's life and that includes all of you.

May God bless you always.

All our love, Patti, Courtney, and Mickie

Dear Church Family,

Logan James Donnelly was born on 1/1/2016 to Jamie (Ed) and Amanda Donnelly. He weighed 5 lbs and 2 oz and is 18 inches long. He came home from the hospital after a short stay in the NICU. Mommy, Daddy and Logan are all doing very well. Thank you all for your prayers and support.

Love, Abby and Ed

Dear Church Family,

My beautiful birthday card and all of you who signed made my 94<sup>th</sup> birthday complete. Hope to see you all soon!

My love and blessings, Ginny Binns

### Welcome our New Custodian

I had the opportunity to talk with Mr. Ron Douglass, our new custodian for the church, one evening recently. I asked him to tell me in 1-2 minutes what he wanted to let you, the church members, know about him. He chuckled and said the most important thing about him is his love for and pride in his family.

Ron lives with his family in Upper Dublin. He has a lovely wife and 4 children. Two are successful working adults, and one is graduating from Penn State and going to Arcadia to enter the Physician Assistant program in the fall. The other is a senior in high school and in the college selection process.

Ron grew up in Philadelphia and is in the tool and die industry. He likes to fish in his spare time, loves Cape May and family vacations. He loves sports and used to help coach his children.

At WGUMC, Ron is busy from the time he starts to when he finishes, working three 4-hour evening shifts. I can tell Ron takes a lot of pride in his work. He said there is a lot to catch up on at WGUMC to get the place in order. From my time on Trustees, I know how desperately we need a custodian who can fix simple things as well offer cleaning services. If you encounter Ron, please welcome him with open arms.

I'm so pleased we have someone in place to address issues long neglected. I know we all have pride in the appearance of the church, and with the use and age there is a lot of daily work, as well as things that need more than just a quick dust and work day, hope and prayer. Our facility is too large to not have someone working to keep it from disrepair. The Trustees simply could not manage all the needs without this wonderful addition of Ron to our staff.

Thank you to everyone for your support of Mr. Douglass, the Trustees, and all who work to provide ongoing care and maintenance of our facility.

Shirley Liddle, Member  
Staff Parish Relations Committee

**MEMBER SPOTLIGHT!**  
**Happy Birthday Margaret!**  
**What a Celebration!**

Happy 99th Birthday to Margaret A. (Artz) Smith! A member of this church for over 65 years, where she had been a Sunday school teacher (of 12 year olds), was in charge of the Acolytes, and always served faithfully.

Margaret (aka Peggy) is surely having a long, healthy and happy life. She is the oldest of 11 children... 7 girls and 4 boys, all born in Maryland. Happily still around are 4 girls and 1 boy, she keeps in touch with them by phone and greeting cards.

Peggy graduated from Williamsport High School in Williamsport, Maryland. She attended their class reunions for many, many years. There are two living classmates, she is one of them. Much of her early years growing up was on farms where one of her many chores included milking the cows twice a day with her sister, Fae. Married at age 19. Her husband John (died 1966) and she has been a widow ever since. They had two children, Wayne (who died in 1976) and Peggy Ann (currently living with her husband in Ocala, Florida).

Peggy keeps in touch with her grandchildren and great-grandchildren. (2 grandsons, 6 great grandchildren along with many nieces and nephews) which really keeps her mind busy. She has lived in the same home for over 65 years and worked for many years until the age of 92.

Now she is happiest around the young children, family, friends and the Lord. And yes, not to forget the birds that come to her 2 backyard feeders (especially the beautiful red Cardinals).

When she is finished talking on the phone to her daughter, they finish the call with... "Okay Mom...talk to you tomorrow sometime. "Mom says ... "Okay, I'll be here!"

*(This article was submitted by Peggy Gallagher, her daughter.  
 Special thanks also to Doris Hardcastle for securing it.)*

## UPCOMING EVENTS

### LIFE OF JESUS 2016

Our annual ministry of the “Life of Jesus” is upon us. The date when we share this ministry will be after Easter, either April 10 or 17 during Church Worship. Rehearsals generally last no longer than 2 hours. We go over what is expected of each character. We practice entering and exiting. We practice our body language and movements. We get to know each other, even if just a little bit. We have a dress rehearsal to become more familiar with our character. Rehearsals are important because, if you don’t attend rehearsals, you will be unfamiliar with what is involved with your particular role(s). **Rehearsals are tentatively set for the following Sundays, 4:00-6:00 pm: March 6, 13, & 20 and April 3 and/or April 10.**

Each year a few changes are made to keep it fresh and new so these rehearsals are important for all characters. Feel free to bring water to drink and a small snack.

Each rehearsal day in March we will concentrate on 3 or 4 scenes, practicing so everyone understands what is expected of them while “in character.” On April 3 or 10, the dress rehearsal will take place, with all costumes, props, narration, movement, and music.

Depending upon who is available, the cast of characters will be chosen from this list:

Pregnant Mary & Pregnant Elizabeth; Joseph, Mary, baby Jesus; Shepherds, Wise Men, and Angels; Disciples; Young Jesus and Adult Jesus; Wedding at Cana – Bridal Couple, Rabbi, Wedding Guests; Soldiers; Accusers; Joseph of Arimathea; Children; One or Two People Healed by Jesus – possibly 4-6 who carry the man in to Jesus. There will be sign-up sheets available in the Narthex or hallway outside the office area around the middle of February. REMEMBER, friends and family are welcome to join us in the production, or as part of the congregation.

Church**

**Eastern Pennsylvania Conference, The United Methodist Church**

***Faith-sharing starts with saying “Yes.”***

***So does evangelism. And so does church growth.***

Join us in welcoming the **Rev. Romal Tune**, a compelling, sought-after young speaker who voices his passion, intellect and faith in fresh ways, challenging listeners to see a new intersection of faith and public life. With unapologetic candor, Tune addresses the redemptive power of authentic engagement that is too often lacking in church outreach and evangelism efforts.

He is an award winning author (*God’s Graffiti: Inspiring Stories for Teens*), an international speaker, an esteemed graduate of Howard University and Duke University Divinity School, and a visionary organizer who is making a difference and seeking to transform the world. Drawing strength and wisdom from his own traumatic upbringing amid poverty, violence, neglect and gang-life in inner-city Los Angeles, he openly shares his painful but redemptive story, a sojourn from struggle to survival. He speaks raw truth from a tender heart.

With every opportunity he has to impact decision-makers or crowds of listeners around the world, Romal Tune offers a candid assessment of the brokenness in our lives, relationships, systems and organizations and a fresh vision that seeks to cultivate hope and dignity. He is dedicated to helping and partnering with small and large-scale advocacy and service organizations--from the United Way to The United Methodist Church--to improve the lives of people in need.

Come hear him. Be inspired to make radical changes in your church and community relationships. Then you can truly make committed disciples for the transformation of the church and the world.
