

Willow Grove United Methodist Church Fellowship News

July/August 2016

*“For everything there is a season, a time for every matter under heaven...”
~ Ecclesiastes 3*

Change is Happening!

In just a few short weeks, there will be a flurry of activity at the church. Activity you may or may not notice depending upon how you move in and through our WGUMC space.

If you are an older member, who regularly attends on Sunday mornings and participates in small groups that predominately meet in the Lounge, the Chapel, Fellowship Hall and other off-site locations, you may not notice what is going on except by what you might hear through the grapevine. If you are a younger member with children, or a member who regularly utilizes classrooms or small group spaces in our Education Building, you might have more of a sense of what is going on... but you also might not see or notice what is happening, as there will be little immediate impact on the spaces you utilize.

However, if you are in any way involved in leadership, the coming “flurry of activity” is the culmination of work that you began last August, in 2015, when leadership from every affected program area and all administrative committees gathered to group-problem-solve concerns at hand.

What Kind of Change?

The “flurry of activity” of which I speak, is a strategic rearrangement of our current tenants and WGUMC classroom space. This strategic rearrangement is being done to give the Sunday School and each of our tenants their own designated space, to reduce the frustrations of cross-over impact, to increase energy efficiency & safety protocols, and poise all programs for growth.

While all of our currently utilized WGUMC Sunday School classrooms will remain intact (201, 202, 205, 302, 305), our underutilized classrooms and storage areas will change (301, 303, 304). We will also free up room 203 for future WGUMC use and growth. The Circle of Friends and Honeyland programs will participate in this strategic rearrangement, by newly occupying 304/306 and 204/206, respectively.

(cont'd. on Page 2)

(Page 1 cont'd.)

What Next?

In preparation for these classroom rearrangements, the Trustees and a number of members have been busy at work. In February and March, an assessment of our current programs, their needs, and all 3rd floor furnishings were considered. Broken down desks were thrown away. Old, worn out Christmas trees and decorations (items we have already replaced with newer items) were discarded. Three pianos, which were neither tunable nor repairable, were removed.

Much of this work was completed as a part of the March 18th Clean-Up and Work Day, in which 25+ people helped dispose of an entire dumpster load of “stuff” to make space for the “new thing” God is doing, and will do, in our midst! But much more work has continued...with individuals systematically following thru on decisions made on that day, and completed any number of “clean-up” and preparatory tasks prior to the many moves to take place.

Now, before you wonder if all of this purging was necessary, or you ask why you didn't know about it... I wonder...

Will you dream with us?

When was the last time you were on the 3rd floor and peered into those classrooms?

If you have, what have you seen when you looked?

Have you seen active, engaging spaces?

Or significant remnants of “good days” gone by?

Have you wondered what could “become” in these spaces?

If these spaces were “freed” to service the needs of our current congregation, as we are currently configured, what might be happening in there?

What new programs might best meet the needs of who we are NOW as WGUMC?

Or...

How might these spaces serve members of the greater Willow Grove community?

And especially persons that are NOT YET a part of our church?

Who will we intentionally work to invite, incorporate, and extend the grace, peace and forgiveness of God, in the name of the Lord Jesus Christ, to in the next 3-5 years?

In Ecclesiastes 3, scripture reminds us that there are many seasons in our lives, seasons of contrasting tasks and emotions. A time to plant, and a time to pluck up what is planted. A time to break down, and a time to build up. A time to keep, and time to throw away. A time to mourn, and a time to dance.

What I hear in these words is that we are to find assurance in knowing that God is with us, through all of these times. We are to lean in and lean on God's wisdom and understanding as we find ourselves disoriented or even uncomfortable in the current times, or facing such changes. And lest we think otherwise, we are to remember that we are, and always will be, of great value and importance to the very One who created us. So, may we see -and may you see - not with our own eyes, but with the eyes of the Lord God who is doing a new thing!

**DEADLINE FOR NEWSLETTER
ARTICLES FOR AUGUST/SEPTEMBER
IS JULY 15, 2016!**

COMMITTEE AND MINISTRY NEWS AND NOTES

DOERS GROUP (By Blanche Erwin): The Doers will meet on Thursday, June 9 at noon in Fellowship Hall for our annual picnic. Please note the time change. We will need salads (suggestions - potato salad, jello salad, macaroni salad, deviled eggs) and desserts. Please let Blanche Erwin or Charlotte Benning know by Sunday, June 5 if you are planning to attend and the dish you will bring. The group will not be meeting in July and August. Visitors and new members 55 and over are always welcome.

FOOD MINISTRY (By Laura Daugherty and Kathy Harrod): Our April **Friendship Meal** had a record number of attendees. The number of participants for the May 15 meal continued to be high. We were joined by three volunteers from the Willow Grove Baptist Church. Their help was greatly appreciated as many of our regular volunteers had double commitments. God does provide! In June we will join the all Church Picnic and on July 17 we will be back in the hall displaying our patriotism. All are welcome! Should we experience bad weather on any of these dates, cancellation will be announced on KYW Newsradio and on the website CBSphilly.com. There will be no Friendship Meal in August.

For the past several months we have had visitors from various religious institutions in the area. On Tuesday May 3, delegations from seven religious institutions met to exchange information about what each of us does for those who are food insecure (*See group shot above*). Some have similar meals, some have food pantries, some go even further with clothing and shelter assistance. We exchanged contact information so that we may keep in touch, with the goal of helping each other in all that we do.

Your donations of luscious food, love offerings, prayers and your presence are what keep this ministry running. We are a mission of the entire church body. Your contributions are very much appreciated.

HOSPITALITY MINISTRY (By Marilu Skilton): The Coffee Cart will take a break beginning in May and will return after Labor Day. It has been a wonderful opportunity to share stories with other members with a chance to get to know them better. We have enjoyed having the children stop by after Sunday School and share in their enthusiasm. Thanks to all who have helped to make this endeavor successful.

Our April-May-June hosts are: Gloria and John Ketterlinus, Marilu and Ed Skilton, Deb Pronzato and the WoRM Class, Kim Schwalje, Jane and Alf Sharman, Susan and Bob Mathers and Nancy Durchsprung, Alice and Bill Creswick.

(Featured to the right are some of our children members anxiously waiting at the Coffee Cart for snacks before Worship!)

The Music Ministry has offered, for the glory of God, music from all periods of classical music history. We've also shared diverse selections from church music genres such as hymn arrangements, contemporary Christian, gospel and spirituals. The music is carefully selected to create additional reflection on and understanding of the scriptures and texts for the day for praise and worship. In all ways, we try "Sing a new song; play skillfully, and shout for joy." Psalm 33:3.

The choirs will resume rehearsals on September 8, 2016. Thanks in advance to our summer soloists who will continue to "Make a Joyful Noise." ~ Psalm 100:1

UNITED METHODIST WOMEN (By Blanche Erwin):

The **Susanna Circle** will meet on Monday, June 20 and will be going out to lunch. We will not be meeting in the months of July and August.

Save Box Top labels and UPC Symbols (from Campbell Soups, Beans and other Campbell products). These will be given to our local schools. The "symbols" can be left in the UMW box in the Narthex.

Save Shoe Boxes for Operation Christmas Child - We need empty shoe boxes to pack the gifts. Shoe boxes are filled with small gifts to bring joy and hope to children living in countries (including the United States) wracked with war, poverty, and disaster. Shoe boxes can be left in Room 201.

SPIRITUAL FORMATION (By Blanche Erwin):

Lenten Ark Banks: Thank you to everyone for your generosity and gift to Heifer International by filling the Ark Banks. We collected \$500 to help families in need, and to give hope to families who once struggled with hunger and poverty. Heifer provides dozens of different species of animals - from ducks and goats to llamas and geese - to people in need around the world. The chain of life reaches families, as animals continue to grow and multiply. Your help can be a rainbow for many families in the world today.

WALK FOR ALS IN HERSHEY

While Kim, Kasey and Teagan Schwalje walk to defeat ALS (Lou Gehrig's Disease) every year, this year, this horrible disease has hit close to home and we will be walking for our Aunt, Patti Rine, who lost her battle with ALS in April. Please consider sponsoring us. With your help, we will be able to make a difference in the lives of people affected by this disease. The walk is in Hershey on June 4.

If you'd like to support us in this effort, please see Kim in church or visit our fundraising page -

MEMBER SPOTLIGHT! Happy Birthday Fred!

Happy Birthday to Fred Vandegrift, who will celebrate his 90th in June! Fred was born on June 8, 1926 in Eddington (Bensalem) Pa. He had twelve siblings and was sixth in line. Two of his sisters are still living. Fred feels very fortunate to have been in the "right place at the right time". That place happened to be Willow Grove Park when Fred spotted a beautiful blond young lady, met, and fell in love. On June 18, 1955, Fred and the former Edith Hoff were married at her church, Willow Grove United Methodist Church. Edith and Fred started married life in their new Warminster home. They would later move to Doylestown and then to Anns Choice when Edith's health continued to decline. They became the parents of three girls, Janice Weller, The Rev. Sharon Vandegrift and Lauren Donaldson and grandparents of six. Fred spent most of his career working for General Motors in the Insurance Division and retired after thirty years. Fred followed in Edith's footsteps and joined WGUMC and has been a member for over sixty years.

He was a very ACTIVE Member!

- Member of the Men's Bowling Team
- Trustee, serving two terms as President
- Responsible for the carpeting in the sanctuary
- Responsible for the pew cushions
- Responsible for a new roof
- Purchased & spread mulch on church flower beds
- SPRC Committee
- Chicken dinner chef for many years
- Drove the church van for many occasions
- Member of the Doers

Outside of church he enjoyed gardening, bowling, cooking and golfing. He is extremely proud of his family and the girls have always found time in their busy life to call and visit their Dad. Fred would probably agree to the lyrics in a song, "Thank Heaven for Little Girls"! Although Fred can no longer attend church he has a deep, deep commitment to the church and always refers to the building as "God's Home".

Letters of Thanks

To my Church Friends,

Thank you for the altar flowers and the many birthday cards I received. I really appreciate my church friends. Also, I am grateful to God that I am a great-grandmother to a baby boy, born May 13, 2016 in London, England to my grandson, Ricardo McDonald and his wife Leah. The baby's name is Maxwell Winston McDonald, and his grandparents are my daughter Priscilla, and her husband, John McDonald.

Sincerely, Margarita Nieto

Dear Church Family,

Thank you for all of your prayers, flowers and visits at the time of my hip surgery. That went well! My back is still a problem, but coming along. I miss being at church very much.

Thanks again, Jean Dorozinsky

TRUSTEE COMMITTEE (By John McCarthy and Kim Hunt):

The Trustees have been working on the following items, in addition to planning and preparation for the coming classroom moves:

- Working with the local Fire Department to install a Lock Box for emergency entry, and with Van's Lock Shop to rekey the back door and boiler room doors to be in compliance with the Fire Dept. request, as well as address other safety issues.
- Making significant phone calls to Verizon and coordinating with them to address the internet and phone outages that lasted well over 2 weeks in May.
- Working to find an appropriate organization and buyer for our WGUMC van, which at this time we are unable to use sufficiently to warrant the expense and lost use.
- Having the Lounge carpet professionally cleaned, securing a plumber to address 3rd floor restroom blockages, and repairing the play-ground fence a number of times.
- Drafting new lease proposals for our tenants.
- Awaiting quotes to address long-term boiler and thermostat issues for which we have concern—while in all things, attempting to increase efficiency and be good stewards of that which has been entrusted to us.

A Round of Applause...

On Sunday, May 1st in Fellowship Hall WGUMC and Graceful Senior Solutions hosted a community education program entitled:

“IMPORTANT CONVERSATION FOR SENIORS AND THEIR FAMILIES”

Approximately twenty-five (25) participants gathered to discuss generally topics related to safety concerns, financial issues, housing options and life choices that are of concern as we and members of our family age — but are often very difficult to bring up and discuss openly. Receiving a few tips on how to begin, additional questions that were raised included:

- How do I know it is the right time to sell my house after my spouse has died?
- How do I get rid of my stuff?
- What is the difference between Assisted Living and Personal Care? And how do I know what place might be right for me?

- I want to stay in my home but my kids don't want me to. What do I do?

If you, members of your family, or friends are in need of help with beginning such conversation—or are in need of specific resources or direction, contact **Clark and Jane Shuster of Graceful Senior Solutions** at **215-539-9185** or **cshuster@gracefulseniorsolutions.com**. For a general overview check out their website **www.gracefulseniorsolutions.com**.

Caring Tip from Stephen Ministries
by Joel Bretscher

I recently watched the movie *Still Alice*. This Academy Award-winning film tells the story of Alice, a 50-something college professor who is diagnosed with early-onset Alzheimer's. In a short, poignant scene toward the middle of the film, Alice's daughter Lydia asks about her experience with Alzheimer's:

Alice tells her daughter: *“Well, it's not always the same. I have good days and bad days, and on my good days I can, you know, almost pass for a normal person. But on my bad days, I feel like I can't find myself... I can see the words hanging in front of me and I can't reach them and I don't know who I am. And I don't know what I'm going to lose next.”*

After a moment, Lydia replies with just two words: **“Sounds horrible.”**
Alice smiles a little and says, *“Thanks for asking.”*

The words "sounds horrible" might not sound caring, but actually they convey tremendous empathy and compassion. All too often, when someone shares painful feelings, we're so anxious to help the person feel better that we downplay that pain. Lydia could have done that, saying something like: "Try to focus on the good days, not the bad." "There could be a medical breakthrough at any time." "You need to stay positive!"

Instead, Lydia validates and shares in her mother's feelings—which was just what Alice needed right then. So the next time someone shares about a painful situation, something like "Sounds horrible" might be just the right thing to say.

“What's it like? What does it actually feel like?”

Remembering Loved Ones

Dear Friends,

As many of you have learned, our dear friend, **Edward S. Skilton** died Monday, May 23, 2016, at the age of 95. A Visitation time and Memorial Service were held at Willow Grove United Methodist Church on Saturday, June 4. A graveside service and military honors, rendered by the United States Army, followed at Whitmarsh Memorial Park, Prospectville, PA.

Ed was born September 30, 1920 in Philadelphia, Pennsylvania, son of the late Walter Skilton and the late Emily Skilton (nee - Schrenk). He was the beloved husband of Marilu Skilton (nee - Davis); father of Fred Skilton and his wife Susan and Wayne Skilton and his wife Shelly; grandfather of Jessica Hartman and her husband Vladimir, Andrew and Jonathan Skilton; great grandfather of Vladimir and Josie Hartman; brother of Wesley Skilton and his wife Jean and the late Walter Skilton and his wife the late Elizabeth; husband of the late Margaret Skilton (nee - Carr).

Ed was a member of Willow Grove United Methodist Church since 1959 and actively served in a variety of roles over his time as a member. These roles included leadership and membership on the Staff Parish Relations Committee, Trustees, Finance and Memorial Committees and as Church Historian. He was regarded by many as a “voice of reason” and highly respected mentor.

In his professional life, Ed worked for 47 years at Rohm and Haas. Beginning as a mail clerk, he worked his way up through the company into management, eventually travelling all over the United States and World to open plants on their behalf. He was respected deeply for his dedication and commitment, and remained a friend of the Haas Family well past his retirement from the company.

Personally, Ed took great joy in his family, his garden and rose bushes, and the endeavor of being a life-long learner, especially the study of history. His study and interest in history and historical figures was likely birthed by his service in the Army Air Corp, during World War II.

Ed will be deeply missed by many. We pray for God's grace and comfort, in this our time of loss, giving thanks to God for the gift of Ed's life to us. Donations may be made in his memory to Willow Grove United Methodist Church, 34 North York Road, Willow Grove, PA 19090 or Rosenfeld Cancer Center, 1200 Old York Road, Abington, PA 19001.

A few days later, we also learned of the death of **Alois (Al) J. Stachel** on Thursday, May 26, 2016. A Service was held at John J. Bryers Funeral Home, Willow Grove, on Tuesday, May 31, with interment the following day at the Pine Grove Cemetery, Warminster, PA.

Born March 4, 1930, at the family home on Cottage Street in Doylestown, Al graduated from Doylestown High School in 1949, and was a veteran of the U.S. Air Force serving from 1950 to 1954, during the Korean War.

Al is survived by his son, Jan (Jeanne), and his daughter, Gloria Andree (Edward); and six grandchildren, Matthew, Leanne, Laura and Nicholas Stachel and Jacquelyn and Ian Andree. He is also survived by his siblings, Helen Chaffen, Michael (Arlene), and Joseph (Patricia). Al was preceded in death by his first wife, Vera (McGraw,) to whom he was married from 1952 to 1969; and his second wife, Barbara "Bobbie" (Fish), to whom he was married from 1988 to 2015.

Family meant everything to Al. He enjoyed taking his family on long car trips during the summer months, fixing things (from his cars to a roof on the garage) and growing a garden. He was a company man for A&P for 52 years, starting at Sheetz A&P when he was 13 years old. He was a member of the Willow Grove Lions for more than 50 years and he will be sadly missed.

Did you know?

The United Methodist Church over the last 8 years has raised \$68 million for the Imagine No Malaria Campaign! These dollars will be used to end Malaria deaths in sub-Saharan Africa.

The Imagine No Malaria campaign aims to raise \$75 million to address the impact of malaria in Africa through prevention, treatment, communication and education - where one child dies from malaria every two minutes. Speakers at May's General Conference in Portland shared their stories on video and in person. "My daughter and my wife died from malaria," said Bishop Gabriel Yemba Unda of the Democratic Republic of Congo. "I lost my father to malaria," added Bishop Joaquina Filipe Nhanala of Mozambique.

Waving colorful streamers, brightly clad dancers wove through the plenary hall aisles as Rosado led an energized congregation to "take a stand and ... show the world what we believe in." "Can you believe it?" he asked. "We've seen malaria deaths cut in half. We've seen a stronger church as we've worked together. We've seen lives transformed because God is able to do more than we can ever ask or imagine!"

In 2010, the Global Fund and Imagine No Malaria joined forces in the fight against malaria. Today, The United Methodist Church is one of the most significant non-government donors to the Global Fund and is unique within the global community of faith-based organizations.
